SYNOPSIS

1. The present Writ Petition in the nature of Public Interest Litigation under Article 32 of the Constitution is being filed by the Petitioner herein which is a group of concerned citizens dedicated to the protection of civil liberties of the people of the country. The Petitioner is seeking urgent reliefs in relation to the State of West Bengal in view of the widespread violence and disruption of law and order that has erupted in the aftermath of the assembly election, and the failure of the State machinery in protecting the life and liberty of its citizens.
2. The election related violence in the State began after the declaration of election results on May 2, 2021. Members and supporters of the opposing political parties have been brutally murdered, with their houses and personal property being destroyed. There have been instances of heinous crimes including bombing of localities, murders, violations against the modesty of women, riotous looting, kidnapping, arson and destruction of public property.
3. Reports have emerged citing instances of gang rape and physical assault against women who support the opposing parties in the

State. Thanks to the deliberate inaction of the State Government, miscreants have turned the State into a complete lawless zone, which demonstrates this was an organized and pre-meditated crime against a targeted group of people who exercised their political choice against the ruling party.

4. The current state of affairs in West Bengal is so dangerous and wrought with internal disturbance that urgent intervention by this Hon'ble Court and deployment of central forces in the State is the need of the hour.
5. The State administration and the police authorities in the State have failed and/or neglected to clamp down on the unruly elements, thereby leading to institutionalized violence and destruction of the democratic fabric of the State. Since the State administration has failed to restore peace and maintain law and order in the aftermath of the elections despite several pleas and numerous news reports, it is imperative that this Hon'ble Court grants the Petitioner urgent reliefs as prayed for in this instant Petition.
6. Hence, this Writ Petition.

- 1A. The Petitioner organisation named Indic Collective Trust is registered as per registered Deed of Trust dated 19.06.2017 bearing Document No.139/2017/BK-4, and a copy of the same is produced along with the Writ Petition. It is further stated that based on the resolution passed at the board meeting of trustees held on 03.05.2021 at the registered office of the trust that it is resolved to appoint Mr.Aravindalochanan G. (Aadhaar No.8739 3091 8312) to be the Authorised Representative of the trust to

sign vakalatnamas, affidavits or any other document pertaining to the Writ Petition filed on behalf of Indic Collective Trust before this Hon'ble Court.

2. The Petitioner herein organization is a registered Trust under the Indian Trusts Act, 1882 with its registered office at 5E, Bharat Ganga Apartments, Mahalakshmi Nagar, 4th Cross Street, Adambakkam, Chennai – 600 088. The Petitioner herein is a collective of activists, intellectuals and civil liberties campaigners who are committed to the advocacy of Indic civil liberties through Constitutional and democratic means.
3. The Petitioner herein organization have locus standi to file the instant Writ Petition as concerned citizens who enjoy significant goodwill in several States of the country, including the State of West Bengal, for their work in the civil liberties space. Hence, the Petitioners herein have locus standi to file the instant Writ Petition before this Hon'ble Court under Article 32 of the Constitution for direction to the Respondents herein. Further, given the prevailing atmosphere of fear in West Bengal, it is unrealistic to expect citizens from the State to approach either the High Court of the State or the Supreme Court for the real and legitimate fear of being identified and persecuted or worse.
4. Further, the Petitioner herein declares as below:

- 4.1 The nature of injury being caused and is likely to be caused on a wider scale to the public is that a large number of people are being murdered, looted and properties are being vandalised due to the inaction on the part of the Respondent No. 2 to maintain the law and-order situation in the state of West Bengal.
- 4.2 That the Petitioner herein has not filed any other Petition on the same subject matter or seeking similar reliefs either in this Hon'ble Court or before any High Courts except this present petition.
- 4.3 That the Petitioner herein has no personal interest or gain, private motive or oblique reason or motive in filing the instant petition but only seeks the intervention of this Hon'ble Court to issue direction, among other things, to the Respondent No. 1 to deploy central protection forces, including armed forces, for the restoration of law and order in the State of West Bengal.
- 4.4 That the Petitioner herein is not been involved in any other civil or criminal or revenue litigation which could have any legal nexus with the issues involved in the present writ petition in public interest.
- 4.5 The Petitioner herein has not approached any court or authority before preferring this Writ Petition.

5. The Respondent No.1 herein is the Central Government and is responsible under Article 355 for protecting every State against internal disturbance to ensure that the Government of every State is carried on in accordance with the provision of the Constitution of India.
 6. The Respondent No.2 herein is the Department of Home and Hill Affairs of the State of West Bengal, responsible for maintaining law and order in the State and directly supervises, monitors and controls the West Bengal Police forces.
 7. The Respondent No. 3 is the Election Commission of India, a constitutional body responsible for conducting free and fair elections across the country and also for maintaining law and order during the election period.
 8. As such, the above-mentioned authorities in Para 4 to Para 8, by virtue of discharging statutory duties towards the public are 'State' within the meaning of Article 12 of the Constitution of India.
 9. Hence, the Respondents are amenable to the writ jurisdiction of this Hon'ble Court.
- 10. FACTUAL MATRIX OF THE CASE:**
- 10.1 The instant petition is being moved on an urgent basis in light of the political pogrom and institutionalized violence that has been raging in the State of West Bengal in the aftermath of the election results. The scale and the pace of

the pogrom is unimaginable and alarming thereby warranting the immediate intervention of this Hon'ble Court.

10.2 General election to the Legislative Assembly of West Bengal schedule was announced on 26.02.2021. General election to the Legislative Assembly of West Bengal for 292 constituencies of the 294 constituencies in West Bengal was held between 27.03.2021 to 29.04.2021 in 8 phases. Election results were declared on 03.05.2021.

10.3 It has come to the attention of the Petitioner based on credible news reports that since the declaration of the election result in West Bengal on 02.05.2021, several miscreants and violent elements belonging to the victorious political party have wreaked havoc and have created a state of unrest by committing heinous offences of, *inter alia*, bombing, murder, gang rape, outraging of modesty of women, arson, kidnapping, loot, vandalism and destruction of public property.

10.4 The Petitioner has come across several disturbing news reports and articles which show that such heinous offences are specifically targeted towards members and supporters of the political parties that opposed the ruling party in the State election. It has been categorically reported that till May 3, 2021 more than ten political activists were killed and

numerous more were beaten up and/or injured. These instances have instilled unimaginable fear in the minds of the citizens who will now be apprehensive of exercising their fundamental right to free speech and expression against the ruling party. Such fear would lead to the death of democracy.

10.5 These instances have not only been reported in national and local news agencies, but also by reputed international reporting agencies. True copy of the news report published in News18 dated 03.05.2021 is produced herewith and marked as **ANNEXURE P1 (Pages 26 – 30)**

10.6 True copy of the news report published in India Today dated 03.05.2021 is produced herewith and marked as **ANNEXURE P2 (Pages 31 – 33)**

10.9 True copy of the news report published in Anandabazar dated 03.05.2021 is produced herewith and marked as **ANNEXURE P5 (Pages 38 – 39)**

10.10 True copy of the news report published in India Times dated 03.05.2021 is produced herewith and marked as

10.11 True copy of the news report published in India TV News dated 03.05.2021 is produced herewith and marked as

10.13 True copy of the news report published in AlJazeera dated 04.05.2021 is produced herewith and marked as

10.14 True copy of the news report published in Anandabazar dated 04.05.2021 is produced herewith and marked as
ANNEXURE P10 (Pages 51 – 52)

10.15 The Petitioner has further come to learn from various social media websites about such violence and political pogrom through videos and live reporting of these incidents posted by hapless citizens. The nature of the videos and content doing the rounds across the various social media platforms is so gory and gruesome that the collective conscience of the citizens has been shaken. Homes and shops of ordinary civilians have been mercilessly destroyed and razed to the

ground by miscreants and goons. Some of these videos show offices and/ or headquarters belonging to the opposing parties being vandalized, ransacked and set on fire by the local goons who support the ruling party. The videos further show that members and workers of these offices, including women, were publicly shamed and brutally beaten to death. Several eminent journalists and/ or political activists have drawn the attention of the administration including that of the Central and State authorities to urgently deal with the situation at hand. True copy of the plethora of tweets are produced herewith and marked as **ANNEXURE P11 (Pages 53 – 75)**

10.16 Being alarmed by the present situation of utter lawlessness and mayhem in West Bengal, the Governor of West Bengal took to Twitter to note the killing of nine persons and injury of many others in the aftermath of the election results. The Governor further tweeted that he had summoned the Additional Chief Secretary (ACS), the Director General of Police (DGP) and the Commissioner of Police for Kolkata (CP) and called upon them to submit reports on the law-and-order situation urgently. However, such reports were not submitted to the Governor. The Governor further tweeted that the DGP and the CP had sent their reports to

the ACS. However, despite receiving such reports, the ACS had not forwarded the same to the Governor. True copy of series of tweets posted by the Governor is produced herewith and marked as **ANNEXURE P12 (Page 76)**

10.17 The social media posts and tweets by several eminent personalities showcase that there has been a grave disruption of law and order in the State of West Bengal. Such tweets and/ or posts and/ or videos evidently reveal the current state of affairs in West Bengal and should be treated as evidence. Reliance can be placed upon the decision of this Hon'ble Court in the case of In Re "*Distribution of Essential Supplies and Services During Pandemic*" [Suo Motu Writ Petition (Civil) No. 3 of 2021 decided on 30.04.2021] wherein this Hon'ble Court categorically noted the key role that internet and technology have played in our lives during the course of the pandemic. This Hon'ble Court further clarified that people can use social media to amplify and air their grievances, seek and/ or offer help. Similarly, in the present circumstances pertaining to the violence in West Bengal, several eminent personalities and/or affected citizens have resorted to social media with a desperate cry for help seeking protection of their lives and fundamental

rights that have been guaranteed by the Constitution of India.

10.18 Despite tremendous hue and cry across various social media platforms and widespread media coverage, and despite clear directions of the Governor, the State Police authorities, i.e., the DGP and CP have failed and/ or neglected to carry out their duties to protect the fundamental rights of the citizens.

10.19 The Respondent No.2 herein, being in charge of the State Police authorities, has also failed and/ or neglected its duties to either pass any directions to the state police authorities or to take any other measures to maintain law and order in the State of West Bengal. As such, the actions of the Respondent No.2 herein have been instrumental in failing to uphold the principles of democracy. Owing to the collective negligence and/ or indifference of the State machinery to control the aggressive rampage in West Bengal, the people of West Bengal are left with no other option but to knock the doors of this Hon'ble Court.

10.20 The Petitioner herein states that no person, in a country which prides itself as the world's largest democracy, should have to pay the price for their political choices and/ or affiliations. Such targeted pogrom and/ or persecution

defeats the basic tenets of democracy and the rights conferred upon the citizens by the Constitution of India. The Petitioner herein states that when citizens are persecuted on the basis of their political affiliation, it leads to the death of democracy and the birth of fascism.

10.21 The Respondent No. 4 herein has failed to ensure peaceful conditions in the post-poll environment of West Bengal when the Hon'ble Chief Minister is yet to take oath of office. Further, considering that the assembly elections are yet to be concluded in two constituencies, the Respondent No.4 herein has a constitutional duty to maintain law and order in the society as well as ensure people's safety.

10.22 The Petitioner herein states that the Respondents have failed to protect the fundamental rights of the citizens and to maintain law and order in the State of West Bengal. As such, the Petitioner herein prays for directions under Article 355 of the Constitution of India. When the State machinery has evidently failed to maintain internal peace and order, it is the constitutional duty of the Respondent No.1 herein to take stock of the situation at the earliest and take alleviating measures to address the situation.

10.23 Reliance can be placed on the decision of this Hon'ble Court in *S.R. Bommai v. Union of India* (1994) 3 SCC 1 wherein this Hon'ble Court held as follows:

"Article 355 imposes a duty on the Union to protect the States against external aggression and internal disturbance and to ensure that the Government of every State is carried on in accordance with the provisions of the Constitution. As corollary when the Government of the State is not being carried on in accordance with the provisions of the Constitution, a constitutional duty and responsibility is put on the Union to set it right. The foundational factual matrix is the report of the Governor or other information in possession of the Union received otherwise to reach a satisfaction that a situation has arisen for the intervention by the Union of India."

In the instant scenario, the Respondents herein have failed to ensure protection of the fundamental rights of the citizens under Articles 19 and 21 of the Constitution of India, thereby allowing the internal disturbance to grow in West Bengal.

10.24 Since lawlessness in West Bengal has erupted as a systematically and is clearly related to the outcome of the elections which is evident from the conduct of the TMC cadre, the State machinery cannot be trusted anymore to act impartially in the interest of the people. As such, there is an urgent need for intervention by this Hon'ble Court and for deployment of the Central forces in West Bengal until the targeted violence is put an end to and the guilty are prosecuted.

10.25 The pogrom of hate spreading across West Bengal is not a spontaneous occurrence, and has been planned and orchestrated in a pre-meditated manner. The pogrom, that is characterized by widespread loss of life and property of a select group of people, has instilled massive fear in the hearts and minds of people and the affected litigants may be apprehensive about approaching the Hon'ble High Court at Calcutta to address their grievances when the present circumstances in the State are so hostile to them.

10.26 The situation in West Bengal is not a law-and-order situation alone, but is a systematic post-poll violence. As a result, it is important and imperative that the role of the ruling party officials and its cadre is duly investigated for their connivance. The role of such elements should be looked into

by an SIT constituted by this Hon'ble Court. The supervision of this Hon'ble Court into the working of such a Team and the situation in West Bengal is absolutely necessary so that the life and liberty of the citizens are duly protected.

10.27 The Petitioner herein states that there has been grave violation of the fundamental right to freedom of expression together with the fundamental right to life and liberty as enshrined under Articles 19 and 21 of the Constitution of India. The power to issue prerogative writs under Article 32 of the Constitution of India is plenary in nature and is not limited by any other provision of the Constitution. This Hon'ble Court has time and again held that alternate remedy is not to operate as a bar in the contingency where a writ petition has been filed for the enforcement of any fundamental right.

10.28 The Petitioner herein relies upon the decision in *State of West Bengal and Others v. Committee for Protection of Democratic Rights, West Bengal and Others*, (2010) 3 SCC 571 wherein this Hon'ble Court held that:

"Article 32 of the Constitution being a fundamental right itself, it is the duty of this Hon'ble Court to ensure that no fundamental right is contravened or abridged by any

statutory or constitutional provision. The fundamental rights are inherent and cannot be extinguished by any constitutional or statutory provision."

This Hon'ble Court further held that the expression 'in the nature of' employed in Article 32(2) that the power conferred by it is in the widest terms and is not confined to issuing high prerogative writs but includes within its ambit the power to issue any directions or orders for the enforcement of fundamental rights. This Hon'ble Court further held that the Court is not helpless to grant relief in case of a violation of right to life and personal liberty even when the conditions for issue of any of these writs are not fulfilled.

10.29 The Petitioner herein states that the Respondent authorities have failed and/ or neglected to protect the fundamental rights of the citizens.

10.30 The Petitioner herein states that the Respondent No.2 herein has been complacent in the face of organized crime which has encouraged miscreants to indulge in and commit heinous crimes against targeted groups without any regard for law and authority.

10.31 The Petitioner herein states that the Respondent No.1 herein has failed to perform its duties under Article 355 of the Constitution of India to protect the State against internal disturbance and to ensure that the Government of the State is carried on in accordance with the provisions of the Constitution of India.

10.32 The Petitioner herein states that the Respondent No.1 herein has failed in its constitutional duty and responsibility to intervene when the Government of the State is not being carried on in accordance with the provisions of the Constitution.

10.33 The Petitioner herein states that the Respondent No.4 herein has failed to ensure law and order during the post-poll environment in West Bengal.

10.34 The Petitioner states that the situation in West Bengal has become so volatile and politically charged, with severe consequences against the lives and liberty of individuals, that intervention by this Hon'ble Court is urgently needed.

10.35 The Petitioner states that due to the complacency and indifference of the ruling party and of the Respondent No.2 herein, lives of ten political activists have been lost and many more have been injured.

10.36 The Petitioner herein states that due to the complacency and indifference of the Respondent authorities, there has been grave violation of the fundamental rights of the citizens of West Bengal.

10.37 The cause of action arose in favour of the Petitioner when post-poll disruption of law and order began in the State of West Bengal. When the State executive is disinclined to take active steps to control organized crime against a targeted group of citizens on the basis of their political choice, the democratic setup of the State is destroyed. Therefore, the cause of action shall continue every day until the law-and-order situation is restored.

10.38 Hence, the present Writ Petition before this Hon'ble Court.

11. That in the circumstances mentioned herein above, this Writ Petition is being preferred by the Petitioner *inter alia* on the following among other grounds:

GROUNDS

11.1 FOR THAT the Respondent authorities have failed and/ or neglected to protect the fundamental rights of the citizens.

11.2 FOR THAT the Respondent No.2 herein has been complacent in the face of organized crime which has encouraged

miscreants to indulge in and commit heinous crimes against targeted groups without any regard for law and authority.

- 11.3 FOR THAT the Respondent No.1 herein has failed to perform its duties under Article 355 of the Constitution of India to protect the State against internal disturbance and to ensure that the Government of the State is carried on in accordance with the provisions of the Constitution of India.
- 11.4 FOR THAT the Petitioner herein states that the Respondent No.1 herein has failed in its constitutional duty and responsibility to intervene when the Government of the State is not being carried on in accordance with the provisions of the Constitution.
- 11.5 FOR THAT the Petitioner states that the Respondent No. 4 has failed to ensure law and order during the post-poll environment in West Bengal.
- 11.6 FOR THAT the Petitioner states that the situation in West Bengal has become so volatile and politically charged, with severe consequences against the lives and liberty of individuals, that intervention by this Hon'ble Court is urgently needed.
- 11.7 FOR THAT the Petitioner states that due to the complacency and indifference of the ruling party and of the Respondent

No. 2, lives of ten political activists have been lost and many more have been injured.

- 11.8 FOR THAT the Petitioner states that due to the complacency and indifference of the Respondent authorities, there has been grave violation of the fundamental rights of the citizens of West Bengal.
- 11.9 Any other ground that may be raised with the permission of this Hon'ble Court.

12. **PRAYER**

It is therefore most respectfully prayed that this Hon'ble Court may be pleased to:

- 12.1 Issue direction to the Respondent No. 1 to deploy central protection forces, including armed forces, for the restoration of law and order in the State of West Bengal;
- 12.2 Constitute a Special Investigation Team headed by a retired Hon'ble Justice of this Hon'ble Court to look into involvement of politicians, if any, in the targeted pogrom in West Bengal;
- 12.3 Issue directions for immediate arrest of and prosecution against all individuals involved and/or responsible for the commission of heinous offences in the aftermath of the assembly elections;

- 12.4 Issue directions for setting up and/or establishing a special court to adjudicate and dispose of matters pertaining to the prosecution of political miscreants and/or any individuals involved in the commission of heinous offences;
- 12.5 Declare that the Constitutional machinery in the State of West Bengal has broken down within the meaning of Article 356 for further consideration by His Excellency the Hon'ble President of India;

BJP claimed at least six of its workers and supporters including a woman was killed in attacks the party blamed on the TMC.

West Bengal was in the throes of widespread violence on Monday that allegedly left several BJP workers dead and injured in clashes, and shops being looted, prompting the Union Home Ministry to seek a factual report from the state government on incidents of attack on opposition workers. Videos of arson at a BJP office with bamboo poles and roof tiles burning amid worried cries of people running away from the premises were shared by the party. Photos of dead men, and people scampering with apparel looted from a shop were everywhere on social media.

BJP claimed at least six of its workers and supporters including a woman was killed in attacks the party blamed on the TMC. The BJP shared a video with journalists showing a ransacked party office in Nandigram where piles of documents, posters, and broken furniture lay scattered everywhere. Chief Minister Mamata Banerjee had Sunday lost the seat to her former lieutenant-turned-adversary Suvendu Adhikari.

Governor Jagdeep Dhankhar summoned state Home Secretary, DGP and Kolkata Commissioner of Police and directed them to restore peace. He discussed with them the situation following the incidents that took place a day after the ruling TMC returned to

power with an overwhelming majority crushing the BJP.

"ACS Home @HomeBengal who was called by me in wake of rising post poll violence in State has been directed to submit report on post poll violence and vandalism in State & steps taken," Dhankhar tweeted after meeting Home Secretary H K Dwivedi. He also separately met DGP P Nirajnayan and Police Commissioner Soumen Mitra and directed them to restore law and order.

"DGP West Bengal Police and Commissioner of Kolkata Police summoned by me in the wake of continually rising post poll incidents of arson, looting and violence as also killings in the state were indicated of alarming scenario. Called upon them to take all steps to restore law and order," he added. "MHA has asked West Bengal Government for a report on the post-election violence targeting opposition political workers in the state," a spokesperson tweeted.

Meanwhile, BJP national president JP Nadda will be in the state on a 2-day visit to meet the affected families of the party workers.

Banerjee, meanwhile, urged her supporters to maintain peace amid reports of violence and asked them not to fall prey to provocations. The central forces committed many atrocities on TMC supporters during the elections, she alleged.

"Even after the results were announced, BJP attacked our supporters in certain areas but we ask our men not to get provoked and instead report to the police," she told a press conference. BJP national spokesman Anil Baluni said, before being killed a BJP worker was on Facebook live twice to say even animals and children were not being spared by the attackers.

He also shared pictures of people with massive cuts on head and unconscious men lying with bandages wrapped around their limbs. A video showed young men running away with clothes looted from a shop named 'Hong Kong Fashion'. The faces of some of them were smeared with green colour, and a voice, apparently of the man shooting it, gleefully said "Yehi hona chahiye tha...hum to mijaz bana rahe the. (This should have happened. I was preparing for it).

Another video clip showed a group of burqa clad women standing outside the shop, shouting angrily and asking "yeh Mamata raj hai ki goonda raj hai (is it the rule of Mamata (Banerjee) or the rule of hooligans?" One of them said her brother ran 'Hong Kong Fashion' and worked for the BJP. "It was his choice, why should anyone stop him? People should be free to be with anyone, vote for anyone-TMC or BJP," she said as some other women joined her and were seen raging against the perpetrators much of which was not comprehensible.

TMC Says Three Party Workers Killed

The Trinamool Congress claimed three of its supporters were killed by the BJP, which rejected the allegations, saying the incidents were the result of "people's resistance".

A few TMC supporters were on the way to Nabagram in the Jamalpur police station area on their motorcycles in the afternoon when they were allegedly attacked in Odishapara by BJP workers, local sources said. They were thrashed and their bikes vandalised, the TMC alleged.

The injured were taken to different hospitals for treatment. Shahjahan Shah (38) and Bibhash Bag (30) were declared dead when taken to the Burdwan Medical College and Hospital. Kakali Khsetrapal (47) was declared dead when taken to the Jamalpur Hospital, local sources said.

The TMC claimed Shahjahan and Bibhash were their supporters. TMC block president Mehmood Khan said, "BJP workers carried out the attack in a planned manner. They are taking to violence in different places."

The Bengal wing of Bharatiya Janata Party claimed that at least six of its workers were killed across the state since Sunday. They also alleged that a few hundred party offices and houses of BJP workers were ransacked across the state as the counting progressed, and the trends became clearer.

Late on Monday, the Ministry of Home Affairs (MHA) asked the West Bengal Government for a report on the post-election violence targeting opposition political workers in the state.

In a video that went viral on Twitter, a gang of men armed with bamboo sticks and rods was seen entering houses in search of BJP workers. Later, a series of pictures and videos which started doing rounds on Twitter, suggested that BJP workers in Bengal were being threatened and attacked.

Violence on result day

The BJP on Sunday alleged that one of its party offices in Hooghly district was set on fire and some of its leaders, including Suvendu Adhikari, were harassed by TMC activists in other parts of the state after the poll results showed that Mamata Banerjee camp was set to retain power in Bengal.

A senior police officer in Hooghly said he is looking into the matter, and the guilty would be punished.

A local BJP leader claimed that TMC activists, shortly after the defeat of their party candidate Sujata Mondal, set fire to the saffron camp's Arambagh office.

Sources in the Mamata Banerjee-led party, however, denied the allegation.

"The TMC, in a bid to avenge the defeat of its candidate, indulged in acts of arson and torched our party office," the local BJP leader said.

In Purba Medinipur district, TMC men reportedly demonstrated next to the vehicle of BJP's Suvendu Adhikari, who managed to clinch the prized Nandigram seat by defeating Chief Minister Mamata Banerjee in a neck-and-neck fight.

Rival parties blame each other for inciting the violence in battleground state's Cooch Behar district.

At least five people have been killed by gunfire in election-related violence in India's West Bengal state, according to police.

Four people died and four others were wounded near a polling station in Cooch Behar district on Saturday when security forces opened fire to control a crowd, senior police officer Vishal Garg was quoted as saying by The Associated Press news agency. He gave no further details on what had sparked the clashes.

In a separate incident, unidentified gunmen fired at voters at another polling booth in the same district, killing one person. Garg said police were investigating the attack.

Volunteers check the body temperature of voters and distribute gloves at a polling station during the fourth phase of West Bengal's state elections in Kolkata, India, on Saturday, April 10, 2021 [Bikas Das/AP]

Local elections in West Bengal, India's fourth most populous state with 90 million people, are being held in eight phases. Voting in four Indian states and a union territory began in late March and is spread over a month. Results will be declared on May 2.

Security arrangements were tightened and nearly 80,000 security personnel were deployed across 16,000 polling stations in West Bengal for Saturday's voting, reports said.

Key test

The eastern state, which has Kolkata as its regional capital, has been hit by election-related violence before, including deadly clashes between supporters of rival political parties.

The vote is seen as a contest between the state's ruling All India Trinamool Congress and Indian Prime Minister Narendra Modi's Bharatiya Janata Party (BJP).

State Chief Minister Mamata Banerjee confirmed Saturday's deaths, even as the rival parties blamed each other for inciting the violence and demanded a probe by the Election Commission.

The elections are seen as a crucial test for whether the BJP can gain a foothold in the northeast and south. The Hindu nationalist party controls a dozen of India's 28 states, with alliance partners in several others, but it has never won power in West Bengal.

Modi and his top leaders have campaigned heavily to wrest power from the Trinamool Congress.

A defeat for Banerjee, a strong Modi critic, would deal a blow to the country's already weak opposition.

Modi's overall popularity remains unmatched in India, but his party has faced tougher than expected challenges in recent state polls.

There is tension in the whole area over the incident. However, the Trinamool has denied the murder allegations.

According to police sources, clashes between Trinamool and BJP supporters started in Jamadar Boss area of Petla Gram Panchayat on Monday morning. The BJP alleges that grassroots miscreants have been vandalizing the homes of BJP workers since the election results were announced. BJP is beating activists and supporters. A BJP supporter named Manik Maitra was shot dead in the small Shalbari area of Shitalkuchi on Monday morning.

BJP district president Malati Rava Roy said, "Haradhan was dragged out of his house by grassroots miscreants and beaten to death. Trinamool is carrying out terrorism across the district. The police administration is not taking any action. If the grassroots miscreants do not stop terrorism, and if the administration does not take any action, we will take the field to prevent terrorism if necessary."

Regarding the killing of two BJP workers, Trinamool district core committee member Abdul Jalil Ahmed said, "The BJP has been waging terrorism since the election results were announced. A grassroots activist was seriously injured in an attack by BJP miscreants in Dinhata. BJP miscreants have been bombing Petla gram panchayat since

morning. BJP workers have died in the wake of the riots among themselves. Now it is trying to put the blame on the grassroots. The grassroots have nothing to do with this incident."

Incidentally, on April 10, four people were killed by the central forces during a riot at booth number 126 in Shitalkuchi. In another incident on the same day, a young BJP supporter was shot dead. The situation has started heating up again after the BJP's victory in the assembly polls in Shitalkuchi.
